The image shows a graphic header for a CDC 24/7 presentation. The header is a dark blue horizontal bar. On the left side of the bar, the text "CDC" is in white, followed by "24/7" in orange. To the right of this, the text "4 BIOSAFETY LAB LEVELS" is written in large, bold, white capital letters. On the far right of the bar, there is a small, colorful graphic element that appears to be a stylized representation of a laboratory or a biohazard symbol. Below the header bar, the rest of the image is a solid black rectangle, which is likely a redaction of the main content of the slide.
